Multi-Clean®

Multi-Task™ System
Chemical Dispensing Systems

Multi-Task™ Dispenser

Simple dispensing with compact design

The Multi-Task™ Dispenser is the ideal system to easily and accurately dispense ready to use high performance Multi-Clean products from concentrate. Accurate dilutions for filling spray bottles, buddy jugs, mop buckets, auto scrubbers, carpet extraction equipment, are possible with this two button dispenser. The lockable cabinet can hold either two 2 liter containers or one 1 gallon container of Multi-Task™ concentrate.

Dispensing button for filling quart size containers

Dispensing button locks for hands free dispensing into mop buckets and auto scrubbers

Locking cabinet can hold two 2 liter bottles or one 1 gallon bottle.

Bottle filling hose

Two liter bottles are color coded for easy identification

Six foot filling hose with hanger

Two Multi-Task™ units can easily be connected to form a four button unit with no additional parts needed.

- **Compact:** Mounts to wall with a 9 X 21 inch foot print
- **Flexible:** Dispense from 1 gallon or 2 liter containers of the same product or two different products.
- **Versatile:** Connect two dispensers together to create a four station unit with four different chemical products.
- **Simple:** Just push either button and diluted product is dispensing into bottles, auto scrubbers or mop buckets.
- **Economical:** Saves you money with exact dilutions.
- **Safe:** The lockable cabinet secures your products, eliminating employee contact with concentrate.

Each Multi-Task™ concentrate is available in the convenient 2 liter bottle labeled with a number identifier and is color coded for easy identification.
